Analysts expect the hyperscalers to incur \$255 billion in depreciation charges in 2026 on capex of \$784 billion. The depreciation charge is projected to rise to \$581 billion in 2029 on capex of \$1.16 trillion.

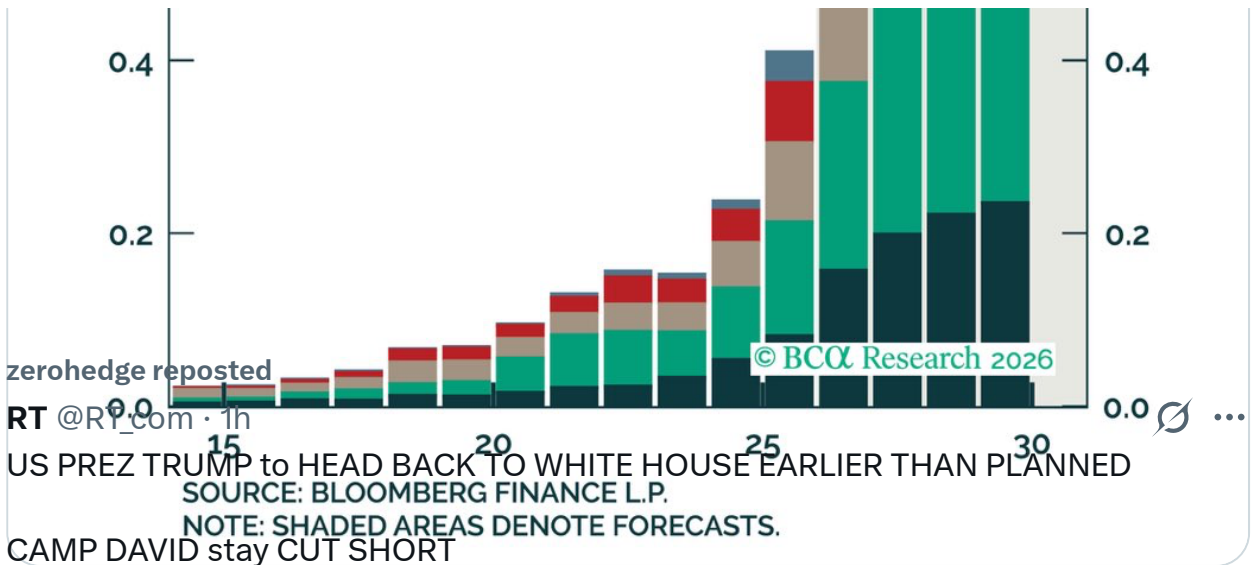

To put things in context, the hyperscalers are expected to generate

UPDATE: The US Embassy in Manama, Bahrain, just sent the same alert to US citizens in the country.

Right now we have:

- Jerusalem (Israel)
- Muscat (Oman)

- Beirut (Lebanon)
- Baghdad (Iraq)
- Manama (Bahrain)

White House Press Pool Reports @WHPressPool · 1h 56K

WH pool report #1 Trump returning

The White House has updated President Trump's schedule. He's now set to return to the White House this evening from Camp David.

The gathering time for the pool is 7 pm ET. Trump will be returning via Marine One at the Ellipse.
